# *Will's Bow Hunting Adventure*

## **Learn the Joys of Hunting**

This second outdoor adventure by Kerri J. Busteed combines hunting skills with the skills needed to get along with others. Children ages 7 to 12 will especially love *Will's Bow Hunting Adventure*, a follow-up to *Will's First Hunt*.

Set in Wisconsin, young Will recently finished his first hunting season, but he doesn't feel fulfilled. It isn't until Christmas, when his Grandpa gives him a bow that Will realizes what has been missing is a new hunting skill to learn. Will is an only child who lives on the family farm with his dad. After his mother passed away, the two discover a common bond in hunting. Will's best friend, Brian, also loves to hunt and spend time outdoors. Stella is a girl in their class who becomes intrigued when she hears Will and Brian talking about venison stew and sees pictures of the deer that live on Will's farm. She joins Will and Brian's quest to learn how to be bow hunters.

When the boys get in trouble at school the day before the opening of bow deer season, their punishment is to present a report on how their first weekend of bow hunting went. Brian and Will tell of the deer they didn't catch, while Stella shares her successful hunt with the class. If you're scoring, it's Girls, 1. Boys, 0.
