

PHEASANTS FOREVER SPONSOR PROGRAM

Attention Members, Donors and Sponsors:

You are the lifeblood of our conservation and education work. Your contributions of funds, merchandise and services allow us to fill our raffles and auctions with quality items throughout our banquet. Without your support, we would not be able to fund the numerous habitat and educational projects we are involved in each year. Remember, the money we raise through your help stays right here in Southeastern Wisconsin!

For this reason, we have tried to make contributing to the success of our functions easier than ever. We need all levels of contributors. Fit yourself into one of the many donor categories and take advantage of the many benefits we are offering. Wildlife thanks you.
